## Military Equipment

### 706.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072). This policy shall be made publicly available on the internet website of the Broadmoor Police Department for as long as the Military Equipment is available for use.

#### 706.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):

**Exigent circumstances** - A law enforcement agency's good faith belief that an emergency involving the danger of, or imminent threat of death or serious physical injury to any person is occurring, has occurred, or is about to occur.

**Governing body** – The elected or appointed body that oversees the Department. The governing body of the Broadmoor Police Department is the Broadmoor Police Commission.

**Military equipment** – Includes but is not limited to the following:

- Unmanned, remotely piloted, powered aerial or ground vehicles.
- Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
- High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
- Tracked armored vehicles that provide ballistic protection to their occupants.
- Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
- Weaponized aircraft, vessels, or vehicles of any kind.
- Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
- Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
- Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
- Any firearm or firearm accessory that is designed to launch explosive projectiles.
- Noise-flash diversionary devices and explosive breaching tools.
- Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
- TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).

- Kinetic energy weapons and munitions.
- Any other equipment as determined by a governing body or a state agency to require additional oversight.

### **706.2 POLICY**

It is the policy of the Broadmoor Police Department that members of this department comply with the provisions of Government Code § 7071 with respect to military equipment.

#### **706.2.1 ONGOING USE**

No later than May 1, 2022, if seeking to continue the use of any Military Equipment that was acquired prior to January 1, 2022, the Broadmoor Police Department shall commence a Commission approval process in accordance with this section. If the Commission does not approve the continuing use of Military Equipment, including by adoption pursuant to a Military Equipment Use Policy submitted pursuant to this code, within 180 days of submission of the proposed Military Equipment Use Policy to the Commission, the Broadmoor Police Department shall cease its use of the Military Equipment until it receives the approval of the Commission in accordance with this code.

### **706.3 MILITARY EQUIPMENT COORDINATOR**

The Chief of Police should designate a member of this department to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the governing body for matters related to the requirements of this policy.
- (b) Identifying department equipment that qualifies as military equipment in the current possession of the Department, or the equipment the Department intends to acquire that requires approval by the governing body.
- (c) Conducting an inventory of all military equipment at least annually.
- (d) Collaborating with any allied agency that may use military equipment within the jurisdiction of Broadmoor Police Department (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting to include:
  1. Publicizing the details of the meeting.
  2. Preparing for public questions regarding the department's funding, acquisition, and use of equipment.
- (f) Preparing the annual military equipment report for submission to the Chief of Police and ensuring that the report is made available on the department website (Government Code § 7072).
- (g) Establishing the procedure for a person to register a complaint or concern, or how that person may submit a question about the use of a type of military equipment, and how the Department will respond in a timely manner.

### **706.4 MILITARY EQUIPMENT INVENTORY**

The following constitutes a list of qualifying equipment for the Department:

[Equipment List](#)

### **706.5 REQUIREMENTS FOR USE**

The Broadmoor Police Commission shall only approve the acquisition of military equipment if it determines all of the following:

- (a) The Military Equipment is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
- (b) The proposed military equipment will safeguard the public's welfare, safety, civil rights, and civil liberties.
- (c) If purchasing the equipment, the equipment is reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety.

### **706.6 APPROVAL**

- (a) The process for requesting military equipment made available pursuant to 10 USC § 2576a is accomplished by coordination between the Broadmoor Police Department and the [California Law Enforcement Support Program \(LESO\)](#) and/or [Defense Logistics Agency \(DLA\) Law Enforcement Support Office](#).
- (b) The process for seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers is a budgetary process. Depending on circumstance, a request could be made through use of grant funds or through the military surplus program.
- (c) Under normal circumstances, acquiring military equipment either permanently or temporarily, including by borrowing or leasing will include approval by the Broadmoor Police Commission before acquisition.
- (d) In the process of collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this department. Any military equipment that is deployed or used by the Broadmoor Police Department that is not owned or leased by the Department will be used or deployed in accordance with this policy.
- (e) The Broadmoor Police Commission will review for use any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the Commission.
- (f) Prior to soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment, the Broadmoor Police Department will seek approval of the Broadmoor Police Commission
- (g) The Broadmoor Police Department will not acquire military equipment through any means not provided above.

### 706.6.1 OVERSIGHT

The Broadmoor Police Commission shall ensure compliance with the military equipment use policy. The Commission has independent oversight authority and shall prohibit use of specific military equipment and implement any necessary administrative investigation for violations of the policy.

### **706.7 COORDINATION WITH OTHER JURISDICTIONS**

Military equipment should not be used by any other law enforcement agency or member in this jurisdiction unless the military equipment is approved for use in accordance with this policy.

### **706.8 USE IN EXIGENT CIRCUMSTANCES**

Notwithstanding the provisions of this policy, the Broadmoor Police Department may acquire, borrow, and or use military equipment in exigent circumstances.

The Department participates with the San Mateo County Peninsula Response Teams as well as closely with local, county, state, and federal partners. In exigent circumstances and with the approval of the Chief of Police or designee, military equipment may be deployed from outside entities to promote the safety and security of community members.

Military equipment used by other jurisdictions that are providing mutual aid to this jurisdiction shall comply with their respective military equipment use policies in rendering mutual aid.

If the Broadmoor Police Department acquires, borrows, and or uses military equipment in exigent circumstances in accordance with this section, the Department must take all of the following actions:

- (a) Provide written notice of the acquisition or use to the Commission within 30 days following the commencement of the exigent circumstance, unless such information is confidential or privileged under local, state or federal law.
- (b) If it is anticipated that the use will continue beyond the exigent circumstance, the Department will submit a purposed amended military equipment use policy to the Commission within 90 days following the borrowing, acquisition or use, and receive approval, as applicable, from the Commission.
- (c) Include the military equipment acquisition or use in the Department's next annual military equipment report.

### **706.9 ANNUAL REPORT**

Upon approval of a military equipment policy, the Chief of Police or the authorized designee should submit a military equipment report to the Broadmoor Police Commission for each type of military equipment approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief of Police or the authorized designee should also make each annual military equipment report publicly available on the department website for as long as the military equipment is

available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of military equipment in department inventory.

The annual military equipment report shall, at a minimum, include the following information for the immediately preceding calendar year for each type of military equipment:

- (a) A summary of how the Military Equipment was used and the purpose of its use.
- (b) A summary of any complaints or concerns received concerning the Military Equipment.
- (c) The results of any internal audits, any information about violations of the Military Equipment Use Policy, and any actions taken in response.
- (d) The total annual cost for each type of Military Equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the Military Equipment in the calendar year following submission of the annual Military Equipment Report.
- (e) The quantity possessed for each type of Military Equipment.
- (f) If the Broadmoor Police Department intends to acquire additional Military Equipment in the next year, the quantity sought for each type of Military Equipment.

### **706.10 COMPLIANCE**

The Commission shall determine, based on the annual Military Equipment Report submitted pursuant to this section, whether each type of Military Equipment identified in that report has complied with the standards for approval set forth in this code and the Military Equipment Use Policy. If the City Council determines that a type of Military Equipment identified in that annual Military Equipment Report has not complied with the standards for approval, the Commission shall either disapprove a renewal of the authorization for that type of Military Equipment or require modifications to the Military Equipment Use Policy in a manner that will resolve the lack of compliance.

### **706.11 COMMUNITY ENGAGEMENT**

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.

#### **706.11.1 COMMUNITY INPUT**

Pursuant to California Government Code §7070(d)(7), members of the public may register complaints or concerns or submit questions about the use of each specific type of Military Equipment in this policy by any of the following means:

- (a) Via email: [mmelville@pd.broadmoor.ca.us](mailto:mmelville@pd.broadmoor.ca.us)
- (b) Via phone call to: (650) 616-7100
