

Broadmoor Police Protection District

Website Posting

The District recently posted on this site that we would have two (2) Commissioner positions open for election in the Statewide Election on November 8, 2022. The terms of Ralph Hutchens and Marie Brizuela are set to expire in November. District residents who were interested in running for a Commissioner seat were given until Friday, November 12th at 5:00 PM to submit their application to the San Mateo County Elections Office. The Elections Office has informed me they received three (3) applicants for the upcoming vacant positions. The applicants are: incumbent Ralph Hutchens; incumbent Marie Brizuela, and resident Thomas Hazard. We wish all three (3) candidates the best of luck in their bid to serve the residents of Broadmoor. Respectfully,

Mark D. Melville

Chief of Police / District Manager
