FROM: Paul M. Davis, District Counsel

RE : Correction of Payrate Schedule adopted on December 9, 2025

INTRODUCTION

On December 9, 2025, the Commission approved Resolution 2025/26-04, which adopted a Payrate Schedule effective January 1, 2026. That Payrate Schedule incorrectly shows the Commander's hourly rate of pay as \$60. The correct figure should be \$63 based upon the annual salary of \$131,040.

PROPOSAL

The Payrate Schedule adopted on December 9, 2025, should be corrected/amended *nunc pro tunc* to December 9, 2025, to reflect the correct hourly rate of the Commander, namely, \$63. A true and correct copy of the proposed [corrected] Payrate Schedule is attached to this Memorandum.

CONCLUSION

I respectfully request that the Commission approve the proposed corrected/amended to the Pay Rate Schedule, that it be made *nunc pro tunc* to December 9, 2025, and that the Pay Rate Schedule attached to that Resolution should be replaced with the corrected/amended Pay Rate Schedule attached hereto.

Respectfully submitted,

RE : Adoption of Official Holiday Schedule for District

INTRODUCTION

Although the MOU with the Police Officers Association has a Holiday Schedule incorporated into it, the District has no official Holiday Schedule.

PROPOSAL

The MOU between the District and the Police Officer's Association that is currently in effect provides for the following holidays of represented personnel:

1. New Year's Day (January)
2. Martin Luther King Day (January)
3. President's Day (February)
4. Cesar Chavez Day (March)
5. Memorial Day (May)
6. Juneteenth (June)
7. Independence Day (July)
8. Labor Day (September)
9. Indigenous Peoples Day (October)
10. Veteran's Day (November),
11. Thanksgiving Day (November)
12. The day after Thanksgiving (November)
13. Christmas Day (December)
14. Every day proclaimed by the President of the United States as a holiday
15. Every day proclaimed by the Governor of California as a holiday
16. Every day proclaimed by the Board of Police Commissioners as a holiday

As noted, the MOU applies only to represented personnel and does not include or extend to unrepresented personnel. Moreover, the District not adopted an official Holiday Schedule. Unless the District adopts a District-wide Holiday Schedule the District theoretically could wind up with several schedules, one for represented employees, one for unrepresented employees, and one for the District as an entity. A District-wide Holiday Schedule would obviate this problem and would be in the best interest of the District and its employees.

CONCLUSION

I recommend that the Commission adopt [proposed] Resolution 2026-1 specifying the Holiday Schedule in the MOU as the official Holiday Schedule of the District so that it will apply to all personnel and will dictate the days the District Office will be closed to the public.

Broadmoor Police Protection District Commission
Proposed Policy Re Public Comments

The Commission of the Broadmoor Police Protection District desires to foster a positive atmosphere of communication with the public on all matters properly before the District. Hearing all viewpoints regarding an issue allows the Commission to make informed and thoughtful decisions. At the same time, Commission meetings must be orderly and efficient. The following Policy directs the manner in which public comment will be heard at meetings of the Commission:

1. Comment Means.

- (a) The public is welcome to attend the meeting in person and by teleconference or videoconference in a manner such that the public can remotely participate in and offer real-time comment during the meeting;
- (b) Notice of the means by which the public can remotely attend the meeting via teleconference or videoconference must be included with the Commission's agenda;
- (c) To watch the Commission meetings and offer comment remotely, the public can join the meetings on Teams via the link and phone number included in the Commission's agenda.
- (d) Remote participation by e-mail is also welcomed by sending comments to staff at lhernandez@pd.broadmoor.ca.us. All e-mails received before 3:30 P.M. one business day before the meeting will be forwarded to the Commission and included in the packet. These comments will also be referenced at the meeting.

2. Comment Topics.

- (a) The agenda for all regular Commission meetings will include time for citizen comments, both in person and remotely. During this time, any person may speak on any issue arising out of:
 - (i) any existing or proposed ordinance, resolution, policy, or pending or previous action of the government of the District; or
 - (ii) matters that may warrant action by the Commission.
- (b) Any Commission member may raise a point of order as to whether a speaker's topic falls within one of the above categories. No further comments will be allowed on that topic unless a majority of the Commission members present at the meeting agree that the topic is within one of the above categories. When a Commission member so raises a point of order, and absent a determination that the topic is within one of the above categories, the Chairperson will direct the speaker to terminate all remarks on that topic.

3. Order in Which Comments Will Be Received.

(a) Each person wishing to be heard at a meeting is encouraged to sign in before the beginning of the meeting, listing the person's name and subject matter of the person's comments. Persons who have signed in will be heard before persons who have not signed in, in the order their names appear, except that the Chairperson may take speakers out of order so that:

(i) persons addressing agenda items may be heard first; or

(ii) persons speaking on the same subject matter may be heard consecutively.

(b) After all persons who have signed in have been heard, the Chairperson will ask if anyone else wishes to make comments. The Chairperson will individually acknowledge each person who wishes to be heard at that time and ask them to come forward to make their comments. Alternatively, the Chairperson may ask persons who wish to make comments to form a line from the speaker's podium and speak when they reach the podium.

(c) After members of the public in person wishing to comment have been heard, the Chairperson will ask if anyone attending via the Teams application wishes to make comment. If using the Teams application, the members of the public shall use the raise hand feature to indicate that they wish to be heard. The chair will recognize each person with their "hand raised" by name and ask them to unmute themselves.

(d) After members of the public have commented via the Teams application, the Chairperson will ask whether anyone attending telephonically wishes to comment. Members of the public who wish to comment shall unmute themselves by pressing *6 and will thereafter be allowed to comment.

4. Identification of Speakers.

When recognized by the Chairperson, each speaker must address the Commission from the designated podium. If the speaker is speaking on behalf of another party, the speaker may provide the name of that party.

5. Recognition Required.

A person may not address the Commission or make audible remarks during a meeting unless recognized by the Chairperson

6. Time Limit.

(a) No speaker may speak for more than 3 minutes. The Chairperson will inform a speaker when the speaker has reached the time limit, and the speaker must stop speaking. A speaker may not yield any part of the speaker's time to any other person.

(b) No speaker may speak more than once during the same comment period.

(c) The time limits established under this section do not apply to presentations on agenda items as provided for in Section 12.

7. Comments Directed to Individuals.

Citizens are not prohibited from addressing their comments to individuals, but are encouraged to:

(a) Address their comments to the Commission as a whole, rather than individual Commission members, staff, or other persons.

(b) Contact the appropriate individuals to discuss matters that can be addressed outside of a public meeting.

8. Redundant Comments.

To avoid redundant comments, the Chairperson may ask persons having the same or similar viewpoints on a topic to designate one representative speaker to comment on their behalf. The Chairperson may also ask persons whose viewpoints are represented by the speaker to stand or raise their hands.

9. Responses to Speakers.

(a) Commission members may not interrupt a speaker during the speaker's allotted comment time, except that:

(i) the Chairperson may inform a speaker when the speaker is close to or has reached the established time limit, as provided under Section 6.

(ii) a Commission member may raise a point of order about the topic of the speaker's comments, as provided under Section 2.

(b) Commission members are not obligated to respond to speakers or answer speakers' questions during a meeting. However, if a speaker's comments pertain to an item on the meeting's agenda, Commission members may address the comments, answer questions, or ask questions of the speaker when the item is considered on the agenda. If a matter addressed by a speaker does not pertain to an agenda item:

(i) a Commission member may ask for the floor at the end of a speaker's comments to ask questions of the speaker;

(ii) the Chairperson may refer the matter to staff, at the Chairperson's discretion or upon the request of a Commission member; or

(iii) if the matter warrants action by the Commission, the Commission may schedule the matter for consideration at a future meeting, upon motion by a Commission member and majority vote of those members present.

10. Lengthy Comment Periods.

After 45 minutes of citizen comments, the Commission may, by majority vote of those present, move any remaining comments not addressing an agenda item to the end of the meeting.

11. Public Hearings on Designated Topics.

These policies also apply to citizen comments during public hearings on specific matters, except that all comments during a public hearing must pertain only to the matter for which the hearing is held. When a public hearing occurs during a meeting that includes other matters, a person speaking during the public hearing may address a separate topic during the portion of the meeting reserved for general citizen comments for an additional period of up to three minutes.

12. Presentations on Agenda Items.

When an item appears on the agenda upon application or request of a person other than a member of the Commission or the staff, the Chairperson will allow that person or the person's representative(s) to address the Commission at the point the item is considered during the meeting. Furthermore, upon motion of any member of the Commission, and approval by a majority vote of those members present, the Commission may hear a presentation or seek information from any person about an agenda item under consideration during a meeting.

13. Decorum.

(a) Unauthorized remarks, stamping feet, whistling, and similar demonstrations are prohibited during any meeting of the Commission. Furthermore, during any meeting of the Commission, persons must not:

(i) Interrupt the Commission's proceedings or the comments of any person recognized by the Chairperson in any manner.

(ii) Make obscene remarks.

(iii) Behave in a disruptive manner.

(iv) Hold, wave, or display any banner or sign in a way that causes a physical hazard or blocks another person's view of the proceedings.

(v) Refuse to follow the instructions of the Chairperson or comply with these policies or any other rules governing the Commission's proceedings.

(b) The Chairperson may order the removal of any person engaged in behavior prohibited by these policies.
