District Clerk Smith stated there was no reportable action taken in Closed Session.

- (b) Discussion and action to approve and adopt the District's Final Budget for Fiscal Year 2026/2027 [Broadmoor Police Policy No. 3020.3]

Chair Aguerre announced the Notice of Hearing on the Final Budget was properly given and published in a newspaper of general circulation at least two weeks before the Hearing in compliance with Government Code §61110(d)

There was no Public Comment on Agenda Item 7(b).

Chief Connolly presented the staff report, noting that the budget was revised slightly from the preliminary version presented in June. He stated the salary figures were still a placeholder, given the ongoing labor negotiations with the union. He pointed out that there are no new positions allocated in the proposed budget, although there remain several vacancies that he anticipates filling.

Commission discussion ensued. Commissioner Hall inquired about the revenue columns, noting that current actual revenue was \$980K under budget while the proposed revenue columns increased. Finance Officer Robin Rose clarified that at the end of the County's fiscal year there will be a "true up" and the District fully expects to receive those outstanding revenue funds. She noted that the increase in revenue proposed was a result of increased property valuations and it was based on data received from the County.

Commission discussion continued.

**SERVICE AGREEMENT FOR THE PROVISION OF ELECTION SERVICES
BETWEEN THE BROADMOOR POLICE PROTECTION DISTRICT AND
SAN MATEO COUNTY CHIEF ELECTIONS OFFICER & ASSESSOR-COUNTY CLERK-RECORDER**

This Service Agreement for the Provision of Election Services ("Agreement"), is entered into on the date last written, by and between the Broadmoor Police Protection District (the "District") and San Mateo County Chief Elections Officer & Assessor – County Clerk – Recorder (the "Chief Elections Officer").

WHEREAS, it is necessary and desirable that the Chief Elections Officer be retained for the purpose of conducting an election, described in more detail below, for the District; and

WHEREAS, the Chief Elections Officer has been asked by the District to conduct an election on November 3, 2026, ("Election").

NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES HERETO AS FOLLOWS:

I. SERVICES TO BE PERFORMED BY THE DISTRICT:

- 1) Within the time frame set by statute, the District will request the Board of Supervisors, through the Chief Elections Officer, to conduct an election relating to the District on November 3, 2026, and will request the services of the Chief Elections Officer in relation to the Election.
- 2) The District will submit to the Chief Elections Officer the ballot pamphlet information containing, as applicable, the ballot measure(s) and tax rate statement(s) by no later than 88 days prior to the Election and/or the offices to be voted on by no later than 125 days prior to the Election.

- 4) The District will timely complete any other non-delegable tasks in relation to the Election that the District is required to complete by law.
- 5) The District shall maintain records/maps regarding the boundaries of the District and will notify the Chief Elections Officer of any changes/additions to those boundaries by 125 days prior to the Election.
- 6) If a candidate for a District office alleges to be indigent and unable to pay in advance the requisite fee for submitting a candidate statement, the District, as the applicable local agency, shall be solely responsible for determining whether the candidate is indigent pursuant to Elections Code section 13309. The District shall notify the candidate, and inform the Chief Elections Officer, of the District's indigency determination, in writing, by no later than 64 days prior to the Election. If the District determines that a candidate is indigent such that the candidate is eligible for an advanced candidate statement fee waiver under Elections Code section 13309, or if the District fails to advise the Chief Elections Officer of its indigency determination by the specified deadline, then the District shall be responsible for paying the candidate's pro rata share of the cost of the candidate statement, which will be invoiced in accordance with the "Costs for Services" section of this agreement. District's payment of a candidate's pro rata share of the cost of the candidate statement is without prejudice to the District's ability to recover such costs directly from the candidate after the election, as authorized by Elections Code section 13309(f).

II. SERVICES TO BE PERFORMED BY CHIEF ELECTIONS OFFICER:

Pursuant to Section 10262 of the Elections Code, the Chief Elections Officer will submit a Certificate of Chief Elections Officer to the District's governing body certifying the results of the Election via email and U.S. mail by the fifth Friday after the Election.
- 9) The Chief Elections Officer will conduct other various and miscellaneous election-related activities directly required to conduct the Election itself, and not assigned to the District above. To the extent that the District has obligations under law to perform various duties that relate to the Election beyond those directly involved with conducting the Election, those duties remain the responsibility of the District. If the District wishes to have any such duties performed by the Chief Elections Officer, the parties must mutually agree in advance in writing to have the Chief Elections Officer perform such duties. By way of example only, if the District is required to send certain notices or adopt resolutions relating to the Election, those duties remain duties of the District.

III. REAL PARTY IN INTEREST; INTERVENTION

In any action or proceeding (a) challenging the legality, validity, or enforceability of any District ballot measure, tax measure, or proposition, or (b) challenging the qualification, nomination, eligibility, or election of any candidate for District office, arising out of or in connection with the Election or the services provided by the Chief Elections Officer pursuant to this Agreement, and in which the Chief Elections Officer, the County of San Mateo, or any of their respective officers, employees, or agents (collectively, the "County Parties") is named as a respondent or defendant, the District acknowledges that it is the real party in interest. The District agrees, upon request of the County, to promptly appear, intervene, or otherwise participate in such action as the real party in interest, and to assume primary responsibility for the defense of the County Parties, including selection of counsel reasonably acceptable to the County.

If the District fails to intervene or assume defense within a reasonable time after request, or if a court of competent jurisdiction does not permit the District to intervene or assume primary defense responsibility, the District shall reimburse the County Parties for all reasonable attorneys' fees, costs, and expenses incurred in defending such action, except to the extent the action is finally determined by a court of competent jurisdiction to have been caused by the sole active negligence or willful misconduct of the Chief Elections Officer.

The provisions of this section shall survive termination or expiration of this Agreement and the completion of the Election.

IV. TERM:

This Agreement shall be in effect for the performance of all services incident to the preparation and conduct of the Election to be held on November 3, 2026, including before and after said Election date.

In the event the Chief Elections Officer is unable to perform services required under this Agreement as a result of employer/employee relation conditions, vendor conditions, the unavailability of Federal, State, or County funds, and/or other conditions beyond the control of the Chief Elections Officer, the Chief Elections Officer will be relieved of all obligations under this Agreement. Under the foregoing circumstances, the Chief Elections Officer may terminate this Agreement after giving 72 hours written notice, at which time the Chief Elections Officer will be relieved of all obligations under this Agreement.

This Agreement can be terminated without cause by either party upon 30 days written notice.

V. COST FOR SERVICES

In consideration of the performance of services and supplies provided by the Chief Elections Officer to conduct the District's Election, including 1) any and all costs incurred during a recount or election contest that are not reimbursed by the voter requesting the recount or filing the contest as specified in the Elections Code and 2) District's actual costs reasonably incurred associated with the Election, such as return postage costs and costs for ensuring voter accessibility, the District shall pay to the Chief Elections Officer a sum equal to the full cost of the District's Election as described above, including all such services, supplies, and other costs.

The Chief Elections Officer shall send an itemized invoice to the District for all services provided pursuant to this Agreement after the Election is conducted and all related costs are determined. Payment on the full amount of the invoice shall be due and the District shall submit payment to the County of San Mateo within forty-five (45) days of the date of the invoice (the "Due Date"). If the amount is not paid in full within this time, interest shall accrue monthly at a rate of 0.25% per month (equivalent to 3% annually) on the unpaid balance starting at the Due Date. Thereafter, invoices will be sent and shall be payable within thirty (30) days of the date of the invoice, with interest being added each month for any unpaid balance. The provisions of this section shall survive termination or expiration of this Agreement and the completion of the Election.

OFFICE OF DISTRICT COUNSEL

STAFF REPORT

TO : Hon. Ralph Hutchens, Hon. John Aguerre, Hon. Andrea Hall

FROM: Paul M. Davis, District Counsel

DATE: August 18, 2026

RE : Proposal to Revise District Resolution

BACKGROUND AND PROCEDURAL HISTORY

This issue is now before the Police Commission for consideration for the third time.

On March 10, 2026, this matter was before you for consideration. The action taken was to continue the matter to April 14, 2026. On April 14, 2026, the matter was continued to May 12, 2026, at which time Chairman Aguerre tabled the issue until the August 2026 meeting. The matter is now before you having been tabled from the May 12, 2026, meeting to this meeting.

On August 11, 1998, the original Resolution covering the essence of the subject of proposed Resolution 2026-5 was unanimously passed by the Police Commission. (Resolution 1998/99-04) I have attached to this Staff Report a copy of that Resolution for your reference and convenience.

Proposed Resolution 2026-5 would repeal Resolution 1998/99-04 and reenact the essence of that Resolution with greater clarity and to include language as discussed by Commissioner Hall at meetings of the Commission on March 10, 2026, April 14, 2026, and May 12, 2026.

DISCUSSION

Parties who assert that they have suffered damages caused by District personnel may, within six months of the date of the incident giving rise to the alleged injury, file a written claim for damages with the District. (Government Code §900)

The District has forty-five days from the date the claim was presented within which to allow the claim, reject the claim, or allow it in part. (Government Code §912.4(a))

By law, only the Commission may take action on a claim unless the Commission delegates that authority to a District employee. (Government Code §935.4)

PROPOSAL

In an effort to the reduce risk of loss and expense stemming from small claims, I propose that small claims (claims not exceeding \$5,000), be acted on by the Chief of Police who shall have the power and authority to compromise and settle such small claims, subject to the approval of District Counsel, as provided by Government Code §935.4. This limited delegation of authority would obviate the need to tender the claims to the District's insurance carrier thereby avoiding an insurance claim that could increase the rate of the premium the District pays for insurance. Proposed Resolution 2026-5 would accomplish this goal.

Proposed Resolution 2026-5, if implemented, would also require the Chief of Police/District Manager to report to the Commission in writing and in open session any claims he or she has compromised and settled. Proposed Resolution 2026-5 contains the essence of Resolution 1998/99-04 but adds certain provisions such as making reports of such claims to the District's insurance company only to the extent required by the terms of the contract of insurance to make such reports. Proposed Resolution 2026-5, if implemented, would increase the maximum claim from \$500 to \$5,000. Proposed Resolution 2026-5 would repeal and replace the entirety of Resolution 1998/99-04.

CONCLUSION

I recommend that the Commission approve and adopt proposed Resolution 2026-5, a copy of which is attached to this Memorandum.

Respectfully submitted,

Paul M. Davis

PURSUANT TO GOVERNMENT CODE §§935.4 and 949**

WHEREAS, pursuant to Government Code §900, *et seq.*, claims for money damages are, from time to time, presented to the District; and,

WHEREAS, by delegating to the Chief of Police / District Manager the authority to compromise and settle valid small claims with the approval of District Counsel would be a cost-effective and efficient means of preserving District resources; and,

RE : State-of-the-District Fiscal Report

INTRODUCTION

This report will provide you with an update and current snapshot on the fiscal condition of the District with an overview of how it has improved since Fiscal Year 2022/2023 when the District was on the brink of bankruptcy and the Police Commission authorized a petition under Chapter 9 of the United States Bankruptcy Code.

DISCUSSION

The County's June 30, 2026, trial balance of the District materially strengthens the prior assessment of the District's fiscal condition and demonstrates continued improvement from the District's FY 2022/2023 low point.

For FY 2025/2026, the County ledger reflects cash of \$4,596,732.83 in recognized revenue across the listed property-tax, ERAF, special-charge, and related revenue accounts. During that fiscal year the county distributed \$4,605,800.33. The resulting \$9,067.50 timing difference is fully traceable to a \$6,664.37 Claim on Cash balance and a \$2,403.13 Accounts Payable-Control balance. This indicates a reconciled County remittance process rather than a material unexplained discrepancy.

Compared with the same County revenue categories for FY 2024/2025, revenue increased from approximately \$3,689,736.84 to \$4,596,732.83, an improvement of \$906,995.99, or 24.6%. Core property tax, supplemental tax, homeowner relief, and ERAF revenue increased approximately \$119,286, or 4.9%. The principal driver of the increase was Other Special Charges, which increased from approximately \$1.115 million to \$2.026 million, a gain of \$911,074, or 81.7%. The special charge increase is favorable but should be reconciled before it is treated as fully recurring. It might include a combination of the current levy, prior year corrections, escaped assessments, or collection timing. Until that composition is confirmed, the additional revenue should strengthen reserves and cash flow but should not automatically be committed to permanent recurring expenditures.

The County report also shows \$1,217,223.33 in Cash Not in Treasury, an equal amount of \$1,217,223.33 as Fund Balance Available, and only \$2,403.13 remaining in the County's AP Control account. The trial balance is mechanically balanced at \$15,219,728.55 in debits and credits; that grand total represents cumulative ledger activity rather than available cash or revenue.

Viewed over time, the District's trajectory is clear. FY 2022/2023 represented the low point of the historical deficit period. FY 2023/2024 produced a significant actual surplus and materially rebuilt fund balance. FY 2024/2025 established a structurally balanced posture. FY 2025/2026 now reflects substantially stronger County-side revenue, clean remittance reconciliation, and minimal County-side payable exposure.

Operational capacity has also improved. BPPD currently maintains 27 sworn officers, consisting of 10 full-time sworn officers and 17 reserve officers. This provides materially greater operational depth and surge capacity while controlling the permanent personnel cost structure. My current overall fiscal assessment is B+, trending toward A-. The District is liquid, operationally stable, and materially improved from FY 2022/2023. Final movement to an A-range assessment depends on completing the year-end reconciliation of special-charge revenue, District operating expenditures, external cash accounts, encumbrances, and unrestricted reserves.

CONCLUSION

My analysis of the facts demonstrates that the District is in excellent fiscal condition, which continues to improve. All indications are that the District's fiscal viability should continue to incrementally improve.

I would like to see some grant funds to fund special projects, particularly in the area of technology and personnel training. Staff and I will be exploring such resources.
